GDS Announces Launch of Proposed Public Offering of ADSs

SHANGHAI, China, March 13, 2019 — GDS Holdings Limited (“GDS” or the “Company”) (Nasdaq: GDS) today announced that it intends to offer and sell American Depositary Shares (“ADSs”), each representing eight of its Class A ordinary shares, with an aggregate public offering price of US\$400,000,000, subject to market and other conditions, in an underwritten public offering. The underwriters will have a 30-day option to purchase additional ADSs representing an aggregate public offering price of US\$60,000,000 from GDS. GDS expects to use the net proceeds from the proposed offering in connection with the development and acquisition of new data centers and for other general corporate purposes.

J.P. Morgan Securities LLC, Morgan Stanley & Co. LLC and RBC Capital Markets, LLC are acting as joint book-running managers for the proposed offering.

The securities described above are being offered by GDS pursuant to a shelf registration statement filed by GDS with the Securities and Exchange Commission (the “SEC”) that automatically became effective as of January 23, 2018. The offering is being made only by means of an effective shelf registration statement, including a preliminary prospectus supplement and final prospectus, which was or will be filed with the SEC and available on the SEC’s website located at <http://www.sec.gov>. Copies of the preliminary prospectus supplement and the final prospectus relating to this offering, when available, may be obtained from: J.P.
